TPMF is a 501c3 nonprofit organization dedicated to supporting medical missions, charitable outreach and medical education that enhance the quality of life for underserved populations. The Foundation provides mentoring, training, and networking for post-graduate podiatric students and others, which increase access to patient care for the indigent and those in need of treatment for diabetic complications, deformities, birth defects, injuries and other untreated medical issues.

[www.txpmf.org](http://www.txpmf.org)

### What does TPMF do?

- Medical Missions
- Indigent Patient Support Program
- Scholarship Grants for Podiatry Students & Residents
- Podiatric Post-Graduate Resources & Job Networking
- Education & Public Relations
- Medical Spanish Resources

The Texas Podiatric Medical Foundation is the charitable arm of the Texas Podiatric Medical Association representing over 600 podiatric physician offices. The TPMF believes in giving back to the community and the profession.

Did you know over 70,000 lower limb amputations occur annually in the USA due to diabetic complications? Many indigent patients and international communities do not have access to foot and ankle care. HELP US MAKE A DIFFERENCE!

### Goals

#### MISSIONS-INDIGENT SUPPORT

Support mission & charitable projects for indigent communities worldwide including club foot correction, deformity correction, prevention of infection and provision of proper shoes. Since 1999, the TPMF missions have helped over 5000 patients in underserved and indigent areas.

#### SCHOLARSHIP GRANTS

Provide grant support and job networking for podiatric residency programs, fellows, and students. Grants are currently provided for research papers, studies, mission support, training and job networking to help increase access of care by increasing quality podiatric physicians and surgeons.

#### EDUCATION & PR

Provide programs for lower extremity education such as Texas residency training, promotion & networking, medical Spanish info & requests.
